

## SOY AND ANIMAL PROTEINS

Index	Name	General characteristic	Dose	Character
ARN-10001	ARNIPRO-50	Functional soy protein preparation with emulsifying and binding properties.	20 G/kg of WEIGHT	POWDER
ARN-10003	ARNIPRO-50Z	A composition of soy and pork collagen proteins with emulsifying and binding properties.	20-30 G/kg of WEIGHT	POWDER
ARN-10002	ARNIPRO-70 SOLANKA	Functional soy protein preparation with emulsifying and binding properties.	20 G/KG GOTOWEGO WYROBU	POWDER
ARN IZBISO 900HI	IZOPRO-900HI	Soy protein isolate with emulsifying and binding properties	20 G/kg of WEIGHT	POWDER
ARN SCCUR DI95	SANDIPRO ID 95	Functional pork protein preparation with emulsifying and binding properties	5-10 G/kg of WEIGHT	POWDER
